To: All School Districts that are participating in the Lease-Purchase "Roof Replacement" Program

Subject: **COMPLIANCE WITH THE 3% DISABLED VETERAN BUSINESS ENTERPRISE PARTICIPATION GOAL**

The Office of Public School Construction has recently been informed that some districts are not aware that in order to participate in the "Roof Replacement" Program, compliance with the 3% Disabled Veteran Business Enterprise (DVBE) participation goal is required. Districts are not eligible for funding if this condition is not met when soliciting bids for their roof projects. In the event that your district solicited "roofing" bids and there is a concern about meeting the participation goal of 3% DVBE, your district should seek advice from its legal counsel.

The DVBE forms (*Prime Bidder Certification of Disabled Veteran Business Enterprise Participation, SAB 515 PB, Prime Bidder Good Faith Effort Worksheet, SAB 515 GFE*) are located on the Internet at <http://www.dgs.ca.gov/opsc/dvbe.htm>. If you have any questions regarding DVBE, please call Audrey Edwards, at (916) 327-9249 or e-mail her at aedward@dgs.ca.gov.

If you have any questions regarding the Lease-Purchase Roof Replacement Program, please call Sally Lemenager, at (916) 323-0139 or e-mail her at slemenager@dgs.ca.gov.

Sincerely,

TED W. DUTTON,
Executive Officer
